The THROW ON & GO DRESS

Say hello to relaxed summer styling with a simple cotton A-line dress. Loose and flowing, this is a great style to wear when the temperatures rise, and is the easiest option for dressing up your downtime. Sporty-style sandals finish the look and ensure optimum comfort when you're out and about.

Dress: £29.99, size 10-14 | **Headband:** £3.50 | **Sandals:** £12.99, size 36-42 | **Caroline**

The HOLIDAY COVER-UP

A short-sleeve jumpsuit is the one thing you never really know you needed - until now! Pick a style that's loose in fit with long sleeves and a tie front, which makes it easy to slip on and off over swimwear. Avoid anything too stretchy or thin; you want the look to be cool and casual. Just pick up your beach bag and you're good to go.

Jumpsuit: £27.99, size 10-14 | **Hat:** £10.99, size 54-58 | **Sandals:** £15.99, size 36-42

The ALL-OCCASION DRESS
 Buying one great dress for the summer is a wise investment, as it will become your go-to for any last-minute invitations or impulsive days out that may arise your way. Natural cottons and linens will help you cope with the heat and pretty prints will always score you style points. Play with accessories: straw and raffia will feel fun and relaxed, while a water-resistant hat and strappy sandals will give a more polished look.

Dress: £95, H. & M. | **Headband:** £20, David Jones | **Shoes:** £120, J. Cole | **Accessories:** £12, H. & M. | **Photo:** [unreadable]

The TIERED MIDI SKIRT
 Cool and casual, the winning combination of a crisp cotton blouse and flirty midi skirt is packing our bags for a day by the shore. However, the versatile nature of this style means it will look just as right with a neat jacket and heels if you're heading into town.

The SHACKET

This shirt/jacket hybrid is a true wardrobe essential that you can have over and over, and, pretty much anything and everything, depending on the season. With temperatures finally creeping upwards, the relaxed staple will look effortlessly cool over lightweight, button-down or classic, more formal styles. Once you've introduced the shacket to your existing wardrobe, you'll discover how versatile it is.

Wool: £115, £135, £155
 Cotton: £85, £105, £125
 Linen: £75, £95, £115
 Silk: £125, £145, £165

Good style

The CLOG SANDALS

Spotted on the catwalks for 15% of the runway, the humble clog has come full circle and is now a key buy for this season. Along with Birkenstocks and Balloons, clogs may not be the prettiest of shoes, but we love their practicality, style and sheer versatility. For the summer months, we suggest trying an open-toe version with a low wedge heel for easy everyday wear - these will go with absolutely everything, from full flowing dresses to utilitarian culottes and trousers!

Wool: £115, £135, £155
 Cotton: £85, £105, £125
 Linen: £75, £95, £115
