**РОМАНТИЗМ**

«Секрет красоты этой модели в ее волосах. Они длинные, густые и блестящие. Для этого требуется не один час, но мы, как стилисты, не тратим лишнего времени. Заживая волосы в высокую косу, сохраняем их ровными, гладкими, слегка влажными и блестящими. Отлично, если волосы уложены на бигуди. Среднюю часть волос завиваем через пальцы и фиксируем для них лаком. А концы — скручиваем. Затем наносим масло, чтобы уложить и закрепить их. Благодаря такому стилю наша модель — идеальна».

Волосы модели окрашены в оттенок «шоколадный блонд», 100 руб., окрашены в оттенок «шоколадный блонд», 100 руб., от Мелы. Краска, гель для укладки, шампунь от профессионалов для волос, Мелы.

**DRY SHAMPOO**

"I have fairly short, busy hair that still can't resist the pull of anything in its path." **Michelle, 35, Hair**

"The easy way to transform short hair is to give it lots of extra length and some extra shine," says Jamie. "So to give it a ready-made edge, by adding some dry shampoo, which works to soak up excess oil and adds back your shine, it's"

**HOW TO DO IT**

- 1 Prep damp hair with a volumizing cream, like **L'Oréal Professionnel Volumizing Cream**, £11.99. Avoid moisture if it can make fine hair sit or lie, says Jamie.
- 2 Blow-dry using a large round brush, lifting the hair vertically and shaking the air of the roots to give lots of volume.
- 3 Shake dry shampoo, such as **Redken One-Cut Drench**, £10.99, into your palms and rub it into your roots. Use your hands to push and sculpt your hair into shape, lifting it higher.
- 4 Instantly add some **Cherry Shampoo**, £5.99, to carry the light. Finish by misting your style with hairspray. >

**HAIR'S MAKEUP NOTE:** Jamie used L'Oréal's Color Matching Eye Primer, £10.99, for eye and then applied Chanel's Allure Éclat in Hue 22 to color-balance hair from a golden blond with redness.

**A HALF-UP HALF-DOWN DO**

"My hair is really long and extremely soft from, so I don't want to wear heavy styling or heavy products." **Lara, 28, London**

"The half-up, half-down style has a classic appeal. It's not too heavy but it's really easy to maintain and look great." **The Hair Stylist** says. "The trick here is to use the right products, not too much, and to pull at the hair."

**HOW TO DO IT**

- 1 Prep damp hair with a heat-protecting cream that helps reduce frizz, such as **Redken One-Cut Drench**, £11.99.
- 2 Blow-dry hair straight, using a round brush brush, directing the nozzle down the hair to reduce frizz.
- 3 Section off the top half of the hair by running your thumbs from the top of your ears to the center of the back of the head, creating a loose ponytail, and tie with a hairband. Take a small amount of hair from the elastic, wind it around the band to conceal it, and pin continuously with a pin.
- 4 Using large barrel tongs, such as the **Redken One-Cut Drench**, £11.99, add large sections of loose hair to create wavy sections.
- 5 Toss your hair up and mist with **Redken One-Cut Drench**, £11.99.

**HAIR'S MAKEUP NOTE:** To create this look, Jamie used L'Oréal's Color Matching Eye Primer, £10.99, and then applied Chanel's Allure Éclat in Hue 22 to color-balance hair from a golden blond with redness.
