ВОТ ТАКОЙ ВЫШИНЫ

Парикмахеры превращают волосы в строительный материал и сооружают из них «высотки» в стиле ретро (и не только). Glamour рассказывает о тренде социально развитых людей укладывать волосы. Фотограф: David O'Kham

САРОКА

Наша героиня сегодня
в потрясающе красивой
одежде. Однако не
только — у нее невероятная
манера поведения, которая
привлекает внимание окружающих.
Такая Сара. Она знает,
как вести себя в любой
ситуации. Она знает, как
быть уверенной и сильной.
Она знает, как любить себя
и других. Она знает, как
быть красивой и успешной.
Она знает, как жить.

TRICK 2
DRY SHAMPOO

"I have fairly short, wavy hair that will soon move from 'anything go' to 'oh with it.'" **Michelle, 35, Paris**

"One easy way to transform short hair is to go for lots of curls, bights and waves (think 'hair party,' says Jamie). That's great if it's really short, but by adding some dry shampoo, which works to soak up excess oil and keep hair just right, you"

HOW TO DO IT

- 1 Prep damp hair with a volumizing cream, like **L'Oréal Professionnel Volumizing Cream**, £11.99. Avoid moisture if it can make fine hair even finer, says Jamie.
- 2 Blow-dry using a large round brush, lifting the hair vertically and shaking the air of the roots to give lots of volume.
- 3 Shake dry shampoo, such as **Neutrogena Professional Hair Mist**, £5.99, into your palms and rub it into your roots. Use your hands to push and sculpt your hair into waves, lifting it higher.
- 4 Instantly add some **Cherry Shampoo**, £5.99, to carry the light, finish by misting your style with hairspray. >

HAIR'S MAKEUP NOTE: Michelle opted to use gel-to-cream hair cream (L'Oréal Professionnel Volumizing Cream) to prep her hair. She used L'Oréal Professionnel Volumizing Cream, £11.99, and then sprayed Neutrogena Professional Hair Mist, £5.99, on other little bits here to prevent frizz and increase

TRICK 3
A HALF-UP HALF-DOWN DO

"My hair is really long and extremely soft, so I don't want to wear heavy styling or really curly hair." **Lara, 28, London**

"The half-up, half-down style has simple steps. Start by pulling hair into a ponytail at the crown of your head. The hair that goes to the sides will be the main pulling of the hair."

HOW TO DO IT

- 1 Prep damp hair with a heat-protecting cream that helps reduce frizz, such as **Revlon Smooth Heat Guard**, £11.99.
- 2 Blow-dry hair straight, using a round brush brush, directing the nozzle down the hair to reduce frizz.
- 3 Section off the top half of the hair by running your thumbs from the top of your ears to the center of the back of the head, creating a loose ponytail, and tie with a hairband. Take a small amount of hair from the elastic, wind it around the band to conceal it, and pin continuously with a pin.
- 4 Using large barrel tong, curl the top & top 2/3 of hair, and large sections of loose hair to create a romantic look.
- 5 Toss curls apart and mist with **Revlon Smooth Heat Guard**, £11.99.

HAIR'S MAKEUP NOTE: To achieve this look, create a center ponytail and curl the hair into large sections. Use a round brush to smooth the hair, and then use the round brush to create a romantic look. Use a large barrel tong to curl the top & top 2/3 of hair, and large sections of loose hair to create a romantic look.
