**TRICK 2**  
**DRY SHAMPOO**

**HOW TO DO IT:**  
 1 Prep damp hair with a volumizing foam, like **L'Oréal Professionnel Volumizing Foam**, £11.99. Avoid moisture if it can make fine hair even finer, says Jamie.  
 2 Blow-dry using a large round brush, lifting the hair vertically and shaking the air of the roots to give lots of volume.  
 3 Shake dry shampoo, such as **Armani Styling Dry Shampoo**, £12.50, into your palms and rub it into your roots. Use your hands to push and sculpt your hair into shape, lifting it higher.  
 4 Finishingly add some **Cherry Shampoo**, £12.50, to crimp the tines. Finish by misting your style with hairspray. >

**JAMIE'S MAKEUP TIP:**  
 Start by using a toner and exfoliant. Then, use L'Oréal's Color Matching Eye Primer, £10.99, for 24-hour wear. Apply a little primer to the eye area to help your eye makeup last longer.

**JAMIE'S HAIR TIP:**  
 "I have fairly short, bouncy hair that still can move. Think of anything to go with it." Jamie, 35, Paris.  
 "One easy way to transform short hair is to go for lots of curls, bights and waves. Think 'fun party hair'." says Jamie. "But to give it a really sexy edge, by adding some dry shampoo, which absorbs the extra oil from the scalp and keeps your style up."

**TRICK 3**  
 A HALF-UP HALF-DOWN DO

**HOW TO DO IT:**  
 1 Prep damp hair with a heat-protecting cream that helps reduce frizz, such as **Orsi's Smooth Heat Guard**, £11.99.  
 2 Straighten hair straight, using a round brush brush, directing the nozzle down the hair to reduce frizz.  
 3 Section off the top half of the hair by running your thumbs from the top of your ears to the center of the back of the head, creating a loose ponytail, and tie with a hairband. Take a small amount of hair from the elastic, wind it around the band to conceal it, and pin continuously with a pin.  
 4 Using large barrel tong, such as **Orsi's Curl Master**, £19.99, add large sections of loose hair to create voluminous sections.  
 5 Tame your hair and mist with **Orsi's Thermal Guard Hair Treatment** and **Orsi's Curl**.

**JAMIE'S MAKEUP TIP:**  
 To create this look, create a contour using two shades of face makeup. Lighter shades are placed on the cheekbones, the bridge of the nose and the forehead. Darker shades are used to define the cheekbones, the jawline and the hairline. Use a little mascara to define the eyes and a little lipstick to add a touch of color to the lips.
