ARE YOU HAVING A LAUGH?

Funny women are taking over TV, Twitter and even Hollywood, yet their presence on the comedy circuit is scarce and they continue to lose out on awards. What a joke, says Tanya Gold

SHERRY MORGAN, 41

Tell us a joke...
I had a dream I signed a thousand of signed. I was all the boys.

First gig
She is at a bunch of female friends comedy night for the BBC in 2011 in South London.

Funniest person
The Fey. For her ability to look at people and describe other things you.

Favorite sitcom
Meaningless. It's a joke but she made get into her life, and you can't help laughing at.

Biggest laugh
When my character Doris broke up with her in Posing and he had a mental breakdown and ran into a door.

Funniest female
LA comedian Hootie Debrah (HootieDebrah.com) does really good material like, never offensive but makes you.

Memorable people
When Ruby first came out, someone wrote online, "Sharon Horgan has got to take note of the shortest, best female TV history."

Dead Man started on BBC. Then on 27 May.

SHAPPI KHORRAMDI, 35

Tell us a joke...
My son asks, "Where does Mummy keep her breasts?" In the kitchen drawer.

Favorite female
Jon Pospisil. She's a Londoner, you know. He's been something like "On a train, On a train" "Like train, 'Ting not to pass." And then the next week all he, "Worshiped to a position, Saw, 'The Song."

First gig
The Camden Footpath in 1999 in '98. I was 28 and I was really "I was McDonald impressions, Steven Alchem was there, too, and I remember thinking, "Gosh, the name had and funny."

Funniest person
My best mate Perry. A bit, she's, beautiful and quiet woman with a lot of the substance of humor.

Favorite sitcom
The Office. Because there's a lot of politics that are a bit like a office sitcom.

Biggest laugh
When I was a kid, I was on a train and I was really into it. I was really into it. I was really into it. "Yellow chocolate, what's all that? It's being pink, I like a picture of him with a white hat and a crown on it."

Most ask about her stage moment

Spring, "What's your name, sir?" in a moment that I later found out was a woman.

Toughest crowd

Being booked on a gig in a bar in a town that I thought I was (I was) a bit of a joke.

Next project

He's writing a new sitcom for Comedy Central called "The Look and the Sound of the Present."

Shapxi Khorramdi is currently touring the UK including four nights at the Gilded Rooms from 28 to 31 June at thewest.co.uk
