ARE YOU HAVING A LAUGH?

Funny women are taking over TV, Twitter and even Hollywood, yet their presence on the comedy

HANNAH MORGAN, 41

Tell us a joke...
I had a dream I signed a thousand of albums. I was all the boys.

First gig
She is a bunch of friends started comedy night for the BBC in 2001 in South London.

Funniest person
The Fey, for her ability to look at people and describe other things you.

Favourite sitcom
Monkey Island. It's awful but the music got

into her. And you can't help laughing at **Biggest laugh**

When my criminal drama broke up with her in Posing and he had a mental breakdown and ran into a door.

Funniest female
LA comedian Hooti Debeney (Hootibeneey) does really good coloured bits, never offensive but makes you.

Memorable people
When Ruby first came out, someone wrote online, "Sharon Horgan has got to take note of the shortest. Don't make a TV career." Don't know about it. BBC. There is an Mo

circuit is scarce and they continue to lose out on awards. What a joke, says Tanya Gold

SHAPPI KIRKORANDI, 35

Tell us a joke...
My son asks, "Where does Mummy keep her breasts?" In the kitchen drawer.

Favourite female
Jon Piper. My friend's a Londoner, you know. He's been something like "On a train, On a train" "Like train, 'Ting not to pass." And then the next week all he, "Worshiped to be a comedian." Saw, "The Day".

First gig
The Camden Footpath in 1999 in '99. I was 28 and I was really good. McDonald impressions. Steven Alchem was there, too, and I remember thinking, "Gosh, the name had and funny."

Funniest person
My best mate Perry. A bit, but he's a beautiful quiet person with a lot of the substance of humour.

Favourite sitcom
The Office. Because there's a lot of politics that are a bit like a office sitcom.

Biggest laugh
When I was a kid, I had an interview in a comedy show. I was asked a question that asked me to "Write a character sketch of Henry VIII being pants, I was a picture of him with only his and a crown on his head."

Most awkward live stage moment

Spring, "What's your name, sir?" in a moment that I later found out was a woman.

Toughest crowd

Being booked on a gig in a bar with a lot of human rights with David Frost. I was this thought I was (Shame) Chairman of Liberty.

Next project

He's writing a new sitcom for E4 which is called Only Lads and Mums and the Pigeons. Shashi Kirkorandi is currently touring the UK including four nights at the Gilded Rooms from 28 to 29 June at thewestcoast.co.uk
