**Pony Punk**

Her hair is styled in a high ponytail with a side-swept fringe. The hair is layered and has a soft, natural-looking finish. The overall look is clean and modern.

**Whip Lashes**

These covershow lashes are the ultimate in eye drama. They are made of a soft, natural-looking material and are designed to look like real lashes. They are perfect for any occasion and are easy to apply and remove.

**3 The New  
Lipstick**  
The latest lipstick is the  
secret to soft lips and lips  
that look like they're  
made up with the most  
natural-looking lipstick.  
It's the new lipstick that  
gives you a natural  
look with a hint of  
color. It's the new  
lipstick that's the  
most natural-looking  
lipstick you can wear.  
It's the new lipstick  
that's the most natural-  
looking lipstick you can  
wear. It's the new  
lipstick that's the most  
natural-looking lipstick  
you can wear. It's the  
new lipstick that's the  
most natural-looking  
lipstick you can wear.  
It's the new lipstick  
that's the most natural-  
looking lipstick you can  
wear. It's the new  
lipstick that's the most  
natural-looking lipstick  
you can wear. It's the  
new lipstick that's the  
most natural-looking  
lipstick you can wear.
