**TWO-TIME PUP**

From her "two-time" Puppies in Blue, Audrey is right on top and is forever with diamonds. She's featured in a little (and in more of a not-so-little) position, showcasing her beauty and her diamond-studded collar. She's shown in a series of shots, from a close-up of her face to a full-body shot, and to her paws, and a full-body shot, and to her paws, and to her paws. This is a special.

## URBAN SAFARI

*Bentley's awe-inspiring Bentayga is as fiercely capable off-road as it is fierce on the fashion-forward streets of east London. Swift and sure, with an imposing stance, its crisply sculpted bodywork nevertheless packs a sensational six-horsepower punch, putting the "sport" well and truly into "SUV"*
