

Lamberhurst Estate - Kent

The historic manor house dates back to 1733 and boasts a plethora of Regency features, including high ceilings and light-flooded spaces for which Georgian buildings are so well known. The interiors have been sympathetically refurbished and consist of a spacious foyer, an orangery along with three large ground floor rooms overlooking the garden. The six and half acre gardens including the walled kitchen garden and the parterre offer perfect locations for a range of uses through Spring, Summer, Autumn and Winter. Based just outside of Tunbridge Wells in Kent

Lamberhurst Estate - Kent

The historic manor house dates back to 1733 and boasts a plethora of Regency features including high ceilings and high floored spaces for which Georgian buildings are so well known. The interiors have been sympathetically refurbished and consist of a spacious foyer, an orangery along with three large ground floor rooms overlooking the garden. The six and half acre gardens including the walled kitchen garden and the parterre offer perfect locations for a range of uses through Spring, Summer, Autumn and Winter. Based just outside of Tunbridge Wells in Kent
