

De Beauvoir House N1

Islington townhouse with modern/retro design. Location is light filled thanks to large aspect windows and includes easily accessed outdoor area with large treehouse, pizza oven and BBQ great for life-style shoots. Gorgeous free standing bath with marble walls and wooden floors throughout. Girls bedroom is large and features an authentic 50's wrought iron bed and rocking horse. Boys bedroom has a skateboard wall and vintage punching bag. Beautifully decorated throughout with industrial and skandi light features and a fantastic collection of 50's chairs. Kitchen is clean with minimalist lines and open plan making it perfect for shooting; inset gas hob in island, industrial lights overhead and exposed brick walls with double door access from the courtyard area. This location makes set dressing a dream.
