

Staverton Road NW3

A large eclectic family house, with lateral living space and statement features. Lots of stripes, panelling and earthy colours. The Mediterranean style kitchen leads on to the garden. There are 3 children's bedrooms, a bathroom and a spare room on the first floor. The top floor is an open plan master bedroom with exposed beams, ensuite bathroom and a large walk in wardrobe. There are landings on each floor. This house certainly has lots of character.
